16. Work Schedule and Breaks

A. Work Week/Work Schedule/Over Time

The Town of Stevensville's core business hours are from 8:00 a.m. to 5:00 p.m. Monday through Friday. Most employees are expected to adhere to this schedule, however as described herein, alternative schedules may be considered by the Supervisor and the Mayor.

(The Police Department is exempt from this paragraph).

The workweek will begin on Saturday at 12:00 a.m. and end on Friday at 11:59 p.m. Should it be necessary for any employee to work a schedule outside the normal work schedule in support of required work needed by the Town of Stevensville, the employee will be authorized in writing by the responsible supervisor and approved by the Mayor prior to commencing the alternative work schedule.

Non-exempt employees working over 40 hours per week will be paid overtime at one and one-half times their hourly wage rate.

If the Mayor, Supervisor and/or their designee and the employee agree, the non-exempt employee can elect to accumulate compensatory time (comp. time) for use as time-off at a future date at a rate of one and one-half times the number of hours worked over the 40-hour work week.

Non-exempt employees must receive authorization to work planned overtime or comp-time hours in writing from their supervisor, prior to working the additional hours.

The Mayor and/or appropriate supervisor may authorize employees to work Overtime/Comp Time via a Blanket Overtime/Comp Authorization. Those employees are required to report their Overtime/Comp Time worked weekly to their Supervisor/ Mayor either by special report or via a Time Sheet.

Maximum accruals of compensatory time shall be limited to 60 hours for regular employees. After maximum accrual, overtime compensation shall be paid. Any unused, accrued comp time hours will be paid to non-exempt employees upon termination of the employment relationship. Unscheduled overtime must at a minimum be authorized verbally by the responsible supervisor, followed by written confirmation of the authorization. The Mayor is to be informed of all unscheduled overtime authorized by the responsible supervisor via an Overtime Authorization Form.

Overtime is based on actual hours worked. Time off for sick leave, annual leave or any leave of absence will not be considered hours worked for the purpose of overtime.

Exempt employees are allowed to earn Compensatory time hour for hour. A maximum of 60 hours of compensatory time can be accumulated yearly and cannot be carried over.

B. Meals and Breaks

Employees may take one 15-minute break when they are scheduled to work four consecutive hours. Break periods are paid but may not exceed 15 minutes per four consecutive hour period. All employees are authorized to take an unpaid lunch period of at least thirty (30) minutes per day. The length of time for a given lunch period will be agreed upon between the employee and their immediate supervisor and should not interfere with the employee's performance or needs of the organization. All flexible arrangements must be cost neutral and contribute to customer service, productivity and employee morale. The decision to allow a flexible schedule is at the sole discretion of the Town of Stevensville and may not be appealed through the Grievance procedure.

Flexible schedules may include variations in daily beginning and ending work time periods, or a compressed work week providing those schedules comply with state and federal wage and hour laws. Employees desiring flexibility (outside the traditional 8:00 am to 5:00 pm workday), should work directly with their immediate supervisor to detail their adjusted work schedule.

The ultimate goal is that the adjusted flexible schedule will still allow for the employee to meet job requirements and the goals of the Town of Stevensville. Supervisors will be a part of the development, approval and enforcement of flexible work arrangements. If the supervisor deems that the flexible work arrangement is not in alignment with the overall organizational goals, they may not approve a flexible schedule, or may revoke the privilege at any time by advising the employee.

Supervisors shall examine the effect of a flexible schedule for one employee as to the effects on the remaining employees within a department.

Employees must follow the meals and breaks policy regardless of their set schedule. Considerations and accommodations need to be made in flex schedules for conferences, meetings, travel, leave, holidays, maintenance issues, special projects, etc. Refer to the **Holiday Policy** for flexible schedules of less than 5, 8-hour shifts/week.

An exempt employee is allowed hour for hour compensatory time. When in position of which you earn compensatory time, that employee should use earned compensatory time or lose it if leaving that position. Compensatory time will not carry over year to year.

D. On- Call and After-Hours Callouts

STATEMENT OF PURPOSE:

The Town of Stevensville requires public works employees to be on-call for matters and emergencies related to the city's water and wastewater systems. Being on-call means that the employee is not at work, but is available in case they are called back by their employer outside of their normal working hours.

This policy establishes the procedure in which public works employees are placed on On-Call Duty, the department's requirement for their conduct while so designated, and establishes a process for public works employees to receive appropriate on-call compensation.

ON-CALL PROCEDURES:

Compensation will be based on a Flat rate of \$160.00 (To be reviewed periodically during the budget). if the employee is called to duty during the on-call period, they will be paid a minimum of two (2) hours of compensation at one and a half (1.5) times their regular pay.

Failure to follow this policy will result in disciplinary action up to and including termination.

17. Time Sheets and Payday

A. Attendance

Absence is the failure to report to work and to remain at work as scheduled. It includes late arrivals and early departures as well as absence for the entire day. Regular and punctual attendance is an essential function of every position at the Town of Stevensville and required for efficient operations.

If an employee does not know in advance that they will be absent or unavoidably late, they should telephone their immediate supervisor or in the event the supervisor is out of the office, their designee, prior to the start of the employee's shift. The immediate supervisor may grant permission for alternative notifications or have additional requirements in regard to notification. The responsible supervisor will take appropriate steps to ensure notification to employees of the names and telephone numbers of the designated individuals.

Failure to report an absence as described above or if the tardiness/absence is deemed unreasonable, may result in disciplinary action, up to and including termination.

If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of three (3) consecutive days without receipt of proper notification by the Town of Stevensville from the employee may be considered to have voluntarily terminated employment with the Town of Stevensville, unless the failure to give such notification was due to circumstances beyond the control of the employee.

When an employee fails to report to work, the immediate supervisor, or their designee may attempt to contact the employee via phone. If they fail to answer, the supervisor, or their designee may attempt to contact their emergency contact and/or request a welfare check.

B. Timesheets

Time sheets for the pay period are to be completed by all employees and submitted to their supervisors when they are requested or when payroll needs to be processed.

- Time Sheets should be completed on a daily basis.
- In the event an employee is unavailable to complete and submit his or her time sheet, he or she may complete the time sheet in advance or call the supervisor and relay the information.
- Time sheets must include the employee's name and hours worked on a daily basis, holiday time, sick leave used, annual leave used, leave without pay, etc.
- The employee must sign the time sheets attesting that all time worked and leave used is reported for the period.
- The employee's supervisor and/or the Mayor and/or their designee will review and sign the time sheets. Electronic signature may occur when appropriate.

If the employee desires to release their pay to another authorized person, they shall notify the payroll specialist/clerk or their designee in writing.

Salaries and Honorariums for Elected/Appointed Officials are paid on the last working day of the month.

D. Garnishments

It is the policy of the Town of Stevensville to enforce all wage garnishments as may be required by state and federal law.

18. Annual Leave/Vacation

A. Accrual of Leave

Each regular full-time, regular part-time employee shall earn annual leave from the first day of employment but will not be eligible to take the accrued leave until the employee successfully completes a one-year qualifying period.

Temporary, Seasonal, and Short-term workers will not accrue annual leave.

Regular full-time employees accrue Annual Leave as follows:

TIME WORKED	WORKDAY CREDIT PER YEAR	HOURS PER MONTH BASED ON AN 8 HOUR DAY
1 day through 10 years	15	10
10 years through 15 years	18	12
15 years through 20 years	21	14
21 and over	24	16

Regular full-time employees that fall below the 40-hour workweek for two (2) consecutive pay periods will fall under a regular part-time employee where the hours are prorated. Until the employee can meet the 40 hours for two (2) consecutive pay periods they will then resume normal accrual rate for a regular full-time employee.

Regular part-time employees accrue annual leave on a prorated basis, based upon the hours worked during the pay period.

B. Prior Service Accrual

Employees of the Town of Stevensville who worked for another agency within the State of Montana can, with proper certification, have their years of service applied to their Town of

Stevensville accrued leave time. Agency is defined as a State, County, City or Town. Special Rules apply to Montana Educators; see the Human Resource Representative for clarification.

C. Requesting Annual Leave

All requests for leave are required to be submitted electronically and approved by your supervisor.

Requests for annual leave of five days or more must be submitted two weeks in advance and pre-approved by the employee's Supervisor or the Mayor and /or their designee. If you are a department Supervisor requesting annual leave of five days or more, your request must be submitted two weeks in advance and pre-approved by the Mayor and/or their designee. If approved by the department Supervisor, they will notify the Mayor and/ or their designee of the dates of the employee's leave.

Leave requests of four days or less are made with the department supervisor a minimum of two days in advance of the requested time off. If the employee is a department Supervisor, your leave request is made directly to the Mayor and/or their designee. If approved, the department Supervisor will notify the Mayor and/or their designee of the dates of the employee's leave.

The annual leave will be approved after considering the best interest of the Town of Stevensville, the employee's unit, and the employee's request. Employees who need to use annual leave due to extenuating circumstances before they finish the qualifying period may ask their Supervisor, the

Mayor and /or their designee to grant paid annual leave with the understanding that their leave balance will be affected if their employment is terminated before completing the qualifying period. Should two employees request the same period of vacation, their Supervisor or the Mayor /or their designee has discretion regarding the approval of the leave requests.

An employee who has passed the one-year qualifying period and has separated from the service of the Town of Stevensville for any reason, shall be entitled upon termination to cash compensation pay-out for accrued and unused vacation leave. The payout will be based upon the employee's salary at time of termination.

Employees who are called back to work while they are on vacation will be paid at their regular rate until they have worked 40 hours in a workweek at which time they will be paid at their overtime rate.

19. Sick Leave

A. Accrual of Sick Leave

All regular full-time employees earn sick leave from the first day of employment; however, they are not entitled to use paid sick leave until they have been employed continuously for the qualifying period of 90 days. Employees who are sick before they finish the qualifying period

may take leave without pay. Sick leave is earned at a rate of eight (8) hours per month, without restriction as to the number of hours that may be accumulated. For calculating sick leave, 2,080 hours (52 weeks X 40 hours) equals one year. Sick leave must be credited at the end of each pay period. Employees may not accrue sick leave while in a leave-without-pay status.

Regular part-time employees earn a prorated amount of sick leave if they have worked the qualifying period, 90 days. Temporary, seasonal employees and short-time workers do not accrue sick leave.

An employee who has passed the 90-day qualifying period and who separates employment from the Town of Stevensville shall be entitled upon termination to cash compensation pay-out for the unused leave equal to one-fourth the accumulated sick leave. The payout will be based upon the employee's salary at the time of termination.

Sick Leave may not be used to supplement Annual Leave.

B. Requesting Sick Leave

All requests to use sick leave for purposes of medical appointments should be made to the immediate supervisor, with as much advance notice as possible.

Notification of absence because of illness will be given to the immediate supervisor, via a phone call prior to the start of the employee's shift. The supervisor will notify appropriate staff of the absence. If an employee's immediate supervisor is unavailable for the day, the employee is to notify the supervisor's designee or the Mayor or their designee. The immediate supervisor may grant permission for alternative notifications or have additional requirements in regard to notification. The employer will take appropriate steps to ensure notification to employees of the names and telephone numbers of the designated individuals.

If the employee fails to give such notification, the absence may be charged to leave without pay. Absence in excess of three (3) days without receipt of proper notification by the employer from the employee may constitute just cause for immediate discharge, unless the failure to give such notification was due to circumstances beyond the control of the employee.

C. Use of Leave

Employees may use sick leave for personal illness or physical incapacity, sickness of immediate family member. Refer to the Bereavement Leave Policy in the event of a death in the immediate family of an employee. Sick leave benefits shall apply to bona fide cases of sickness, accidents, doctor or dental appointments, maternity/paternity leave, and requests for the employees' presence due to immediate family members' illness or emergency.

Sick leave utilized must not exceed the amount accrued by the employee. If the sick leave balance is exhausted, an employee may choose to use his/her accrued annual leave or Leave Without Pay (with approval from the supervisor-see LWOP policy). The Town of Stevensville may not require an employee to use Annual Leave for purposes of illness unless the employee

agrees per MCA 2-18- 615.

Employees using sick leave that exceeds five consecutive workdays may be asked to furnish a certification of illness from a qualified doctor upon request of their supervisor or the Mayor and/or their designee.

At the Town of Stevensville's request and expense, an employee may be subject to an examination by a physician following a sick leave or other absence occasioned by illness or injury to ensure the employee can complete the necessary functions of the position.

Abuse of sick leave may result in disciplinary action up to and including termination.

D. Transfer of Sick Leave/Sick Leave Donation

Employees will be permitted to transfer sick leave from one employee to another. The receiving employee must have exhausted all accrued sick leave and annual leave. The contributing employee must make the transfer request in writing and must maintain at least 40 hours of sick leave. The transferred sick leave will not change the receiving employee's employment status.

Hours transferred are on an hour-per-hour basis, not calculated based on donating employees' wages. The transferred sick leave is considered forfeited by the contributing employee. Employees shall not be coerced, intimidated, or adversely persuaded to transfer their accrued sick leave to the receiving employee. Doing so may result in disciplinary action up to and including termination.

20. Leave Without Pay

A. General Use

Leave without pay (LWOP) may be approved by the immediate supervisor or their designee on a case-by-case basis. LWOP is usually requested when an employee has exhausted all applicable leave balances and has a need to be away from their employment. The immediate supervisor or their designee may require an employee to use all appropriate accrued leave or compensatory time before approving LWOP.

However, an employee cannot be required to exhaust annual leave balances for reasons of illness unless the employee agrees per § 2-18-615 MCA.

Depending upon the circumstances, employees still in their probationary period may be allowed to take LWOP. However, if leave is granted, their probationary period may be extended by the amount of time taken during the leave.

B. Leave accrual during LWOP

Vacation and sick leave accrue on a prorated basis during leave-without-pay. Employees will not be allowed to use sick or annual leave and will not receive holiday pay while on leave-without-pay status.

- Normally health insurance will not be paid by the Town of Stevensville during a period of leave without pay, that is 5 working days or more unless approval for additional coverage is approved by the Mayor or their designee.
- The employee may choose to continue insurance coverage during the leave by paying the Town of Stevensville the premiums on a monthly basis.
- If the employee fails to continue the insurance coverage, the insurance may be canceled. Should it be canceled, the employee may be subject to policy restrictions upon returning to work.

Providing false or misleading information or reasons to justify leave-without-pay may result in disciplinary action up to and including termination. LWOP is at the sole discretion of the Town of Stevensville and is not subject to the Grievance procedure.

LWOP in excess of two (2) consecutive weeks may be granted for any cause as determined by the immediate supervisor, the Mayor and/or their designee in their sole discretion so long as it doesn't violate any laws, regulations or policies set forth in this manual. Employees may be granted LWOP for a specified time generally not to exceed one hundred eighty (180) calendar days during their employment period.

Whenever possible, the employee should provide their supervisor or their designee with at least 30 days' notice so workloads/tasks can be covered. To request LWOP, employees must provide their supervisor, or their designee the beginning and ending dates of the leave and the reason for the requested leave.

26. Maternity Leave

The Town of Stevensville conforms to the Pregnancy Discrimination Act (Civil Rights Act of 1964 as amended, Title VII, Section 701), as well as relevant pregnancy leave in Federal, State and Local Statutes.

It is unlawful for an employer to terminate a woman's employment because of the woman's pregnancy, refuse to grant to the employee a reasonable leave of absence for the pregnancy; or deny to the employee who is disabled as a result of pregnancy any compensation to which the employee is entitled as a result of the accumulation of disability or leave benefits accrued pursuant to plans maintained by the employer, provided that the employer may require disability as a result of pregnancy to be verified by medical certification that the employee is not able to perform employment duties; or require that an employee take a mandatory maternity leave for an unreasonable length of time.

The Town of Stevensville will grant the employee a reasonable leave of absence for pregnancy but will not require an employee take a mandatory maternity leave for an unreasonable length of time. Employees should notify their supervisor or the Mayor and/or their designee of a desire to take Maternity Leave upon confirmation of pregnancy. As soon as reasonable, the employee should report the expected due date, the estimated leave of absence, and anticipated complications that may affect current leave requests.

Upon signifying intent to return to work at the end of the leave of absence, the employee will be reinstated to the original job and/or equivalent position with equivalent pay and accumulated seniority, retirement, fringe benefits, and other benefits.

27. Parental Leave

The Town of Stevensville provides Parental Leave (PL) to eligible employees for parents to bond and care for a newborn child or a child placed for adoption. Eligible employees are regular or probationary status employees employed at least 180 consecutive calendar days. In the event both parents, including established domestic partners, are employed by the same department, both may take PL at the same time.

Eligible employees are entitled to a maximum of **6 continuous work weeks of PL in a calendar year for the mother and 15 days for the father**. No employee may be absent on PL for more than 6 calendar weeks in a calendar year, regardless of work schedule. There is no limit on how many times an eligible employee may use PL during the course of their employment.

Requests to use PL should be submitted in writing to the employee's supervisor and Human Resources Department with as much notice as possible. HR and the supervisor will work together to coordinate the use of PL with other approved leave requests. PL must be taken continuously commencing with the birth or placement of a child for adoption. When a holiday falls during an employee's PL the employee will be paid for the legal holiday.

28. Family Medical Leave

It is the policy of the Town of Stevensville to offer limited Family Medical Leave benefits to its employees as described below.

An eligible employee can take up to 12 weeks of leave per year if he/she has worked for at least 1,250 hours within the previous 12 months and have been employed for 12 months.

Family Medical Leave can be taken for the following reasons:

- The birth or placement of a child for adoption or foster care,
- The serious health condition of a spouse, child or parent, or
- An employee's own serious health condition
-

Employees are required to provide at least a 30-day notification of intent to use Family Medical Leave whenever possible.

Employees can choose to use their vacation leave instead of taking leave without pay during the 12- week period. (An employee cannot be required to exhaust annual leave balances for reasons of illness unless the employee agrees per§ 2-18-615 MCA.)

Employees will only be provided a total of 12 weeks in a rolling 12-month period looking back from the first day of the leave request. (For example: If an employee took 12 weeks leave beginning July 1, 2012, and requested to take 12 weeks leave beginning May 1, 2013, the request would be denied because the employee used 12 weeks looking back from May 1, 2012, through April 30, 2013.)

Upon request of your Supervisor and/or the Mayor/Human Resource Representative, employees must provide certification explaining the serious health condition or the family member's condition. It should detail:

- The date on which the condition began
- The probable duration of the condition
- Appropriate medical facts regarding the condition
- A statement that the employee is needed to care for a spouse, parent or child

- A statement that the employee's own health condition makes it impossible for him or her to work

These reports are confidential and will remain in the employee's medical personnel file. If the Town of Stevensville is not satisfied with the certification, it may require a second opinion at our expense. In the event of conflicting opinions, a third provider will be retained, also at our expense, to render a binding decision.

Under certain conditions, employees who are designated as "key" may be denied job restoration rights. These employees must be in the highest paid 10% of the workforce and their absence must mean a substantial economic loss to the organization. If a person designated as "key" still takes family leave, the Town of Stevensville will pay the health care premiums, but no guarantees are made about returning them to the positions they left.

An employee who fails to return to work on his or her regularly scheduled workday after the pre-approved leave without pay period will be considered to have voluntarily resigned unless the leave period is extended, in advance, by the Mayor. Providing false or misleading information or reasons to justify a Family Medical Leave absence may result in discipline, up to and including termination.

If the employee, their supervisor or the Mayor and/or their designee do not agree on an evaluation result, the employee may respond in writing within 10 working days and attach the statement to the performance evaluation form.

The employee, their supervisor or the Mayor and/or their designee will sign and date the evaluation form. E. Compensating Non-Exempt Employees for Travel Time

Time spent traveling throughout the State of Montana is always a time-consuming endeavor. It is important for all Town of Stevensville non-exempt employees to understand how they are compensated for travel time. Different situations may determine if the travel time is work time or not. The following variations are described in the administrative rules of Montana (24.16.1010, ARM) promulgated by the Montana Department of Labor:

1. Home to work

Travel from home to work is not work time. This is true whether an employee works at a fixed location or at different job sites.

2. Home to Work in Another City

Special One-day Assignment - All time spent traveling to another city/town would be considered work time except for the travel from home to public transportation, such as a bus depot. This would be the normal home to work travel. The usual mealtime would be non- compensated also.

F. Travel all in the day's work

Time spent by an employee in travel as part of their principal activity, such as travel from job site to job site to job site during the workday, must be counted as hours worked. If the employee goes home instead of returning to the employer's premises from the last job site, this travel is home-to-work travel and is not time worked. If an employee is required to report at a meeting place to receive instructions or to perform other work there, or to pick up and carry tools, the travel time from the designated place to the workplace must be counted as hours worked.

G. Travel Away from Home Community

Travel that keeps an employee away from home overnight is travel away from home and is clearly work time when it cuts across the employee's workday (employee is simply substituting travel for other duties). This time is not only hours worked on regular working days during normal working hours, but also during the corresponding hours on nonworking days. For example, if an employee normally works 8AM to 5PM Monday through Friday, the travel time during these hours on Saturday and Sunday is also counted as work time. If the employee requests to drive their car in place of public transportation that has been offered, this travel time is counted as hours worked only to the extent of time it would have taken to travel if the employee had been using public transportation.

H. Work Performed While Traveling

Any work which an employee is required to perform while traveling must be counted as work time. Sleep in adequately furnished facilities would not be counted as hours worked.
